

INSTRUCTION MANUAL

Introduction

Thank you for your purchase of the Carisma Racing™ 4XS competition 4WD buggy kit. Designed in Germany by noted engineer Michael Vollmer, this model has spent over two years in design, development, and testing prior to release. It also represents a significant step for our company into the category of competition-class race cars, and I hope that you enjoy building and driving your new race car as much as we have enjoyed and learned from making it for you.

Carisma Racing

Safety, Precautions, and Warnings

As the user of this product, you are solely responsible for operating it in a manner that does not endanger yourself and others or result in damage to the product or the property of others.

This model is controlled by a radio signal that is subject to interference from many sources outside your control. This interference can cause momentary loss of control so it is necessary to always keep a safe distance in all directions around your model, as this will help to avoid collisions or injury.

- Always operate your model in an open area away from cars, traffic, or people.
- Avoid operating your model on the street where injury or damage can occur.
- Never operate the model out into the street or populated areas for any reason.
- Never operate your model with low transmitter batteries.
- Carefully follow the directions and warnings for this product and any optional support equipments (chargers, rechargeable battery packs, etc.) that you use.
- Keep all chemicals, small parts and anything electrical out of the reach of children.
- · Moisture causes damage to electronics. Avoid water exposure to all equipments not specifically designed and protected for this purpose.

It is the buyer's responsibility to ensure safety precautions in operating this model. You are responsible for the assembly and operations of this model. Please read the manual thoroughly and always keep it at hand for all times for reference. ONLY use Carisma/Carisma Racing parts for maximum performance. 3rd party parts installation will immediately void warranty. Improper operations may caused personal or property damage. Carisma/Carisma Racing or our distributors are NOT responsible for the damage in any way resulting from Shipping, improper construction or improper use. By opening the box, the buying is accepting all resulting liabilities. In the event that that buying is NOT prepare to accept this liability. Please DO NOT OPEN THE BOX and return this kit in new, unassembled and unused condition to the place of purchase.

The 4XS is a High Competition, High Quality, 10th scale Electric Off Road Buggy Race Car for persons age 14 or order. THIS IS NOT A TOY. It is a precision racing chassis kit. Adult supervision is required at all times during assembly and operating. If in doubt, ask your fellow RC racers for advice or contact your local supports for assistant. We are constantly improving and developing and therefore the exact specifications of the kit may change from batch to batch without prior notice. This product contains a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

Carisma guarantees this model kit to be free from defects in both materials and workmenship at point of purchase. The total monetary value under warranty will NOT, at any case what so ever be exceed the cost of the original kit purchased. This warranty does not cover any components damaged by use or modifications or wear. Part or parts missing from this kit must be reported within 30days of purchase.

Proof of purchase must be sent at all time when applying for a claim under warranty. Should you find defective or missing part, contact your local distributor. Your local service and customer support will be your first point of contact. Always buy from your local stores where you can get the best customer supports.

In the event that your kit is purchased through carisma-shop.com. Please contact cs@matoys.com for all matters.

Kit Features

- Carbon Chassis, Top Deck, and Shock Stays Complete Ball Bearing set Precision-Machined Spring Steel components CNC-Machined Aluminum parts
