REMARKS	

The diagram illustrates the chassis of a car with various components labeled. Key features include:

- WEIGHT DISTRIBUTION**: A central box containing the following information:
 - CAR WEIGHT**: A field for entering the car's weight in grams.
 - BATTERY POS.**: Three checkboxes for battery placement: ☐ FR, ☐ MID, and ☐ RR.
- TRACK WIDTH**: Two fields, one on the left and one on the right, for entering the track width in mm.
- Dimensions**: Vertical arrows on the far left and right indicate the overall height of the chassis.
- Components**: Various parts of the chassis are labeled, including the front suspension, steering knuckle, shock absorber, coil spring, rear suspension, and drive shaft.
